SUPPORT FOR CARERS LEICESTERSHIRE

Do you look after someone aged 18 years and over who could not manage without your support due to an illness, disability or is elderly?

Would you like some help and support or someone to talk to?

Support for Carers Leicestershire is here FOR YOU!

Most carers don't see themselves as carers they see themselves as someone who's looking after a relative, friend or neighbour.

However, if the person you look after couldn't cope without you and you don't get paid (apart from Carers Allowance) then you are a carer and you deserve some help and support, with this in mind be sure to register yourself with your local GP surgery as a carer.

Support for Carers supports carers throughout Leicestershire. The service is run by VASL, a community based organisation with a long and successful history of supporting carers.

Remember

Carers can be any age and don't just look after the elderly, ill or physically disabled, they care for those with learning disabilities, mental illness, substance and alcohol misuse and for people of all ages including children with disabilities.
