This meeting will take place via MicroSoft Teams (which is free to download)

Work & Skills Leicestershire and **Leicester Employment Hub** are delivering an online hub where you will:

- Hear from employers and staff what it is like to work in care
- You'll be given information about the skills needed and identify your transferrable skills
- Discover what training is available
- Gain access to current vacancies
- Learn what support is available to help you apply for vacancies

You will be sent the meeting link and confirmation of your place at least one week prior to the event.
