

# Hospital Discharge Grants for Carers

## Are you a carer?

If you are aged 18+ and look after, help or support someone who wouldn't be able to manage everyday life without your help, and you're not employed to do it, then you are an unpaid carer.

- + Does the cared for person live within Leicestershire County?
- + Have they been discharged from hospital in the last 4 weeks?
- + Have they needed your help and support to keep them safe and cared for?
- + Have you incurred any additional costs, resulting from the discharge of the person you care for, from hospital? For example - cleaning, house work, short-term sitting service, carer's loss of income due to time off work

If 'YES' you may be entitled to some support from the **Hospital Discharge Grant for Carers**

*Please note this is a one off grant for carers looking after residents in the Leicestershire County and is only applicable to discharges from 1 August 2023.*
