

NWL Energy Switch could save up to £180 a year on your energy bills*

The council is helping residents to buy electricity and gas together, to bring the price down. The more people who join the scheme, the greater the savings.

NWL Energy Switch – giving pOwer to the peOple!

Find out more and register at

Registering for our NWL Energy Switch scheme could save you an average of £180 each year*. We bid on your behalf for the best priced electricity and gas, using people power!

1. Register for free (you just need your postcode and annual fuel usage, which is on your latest fuel statement)
2. We'll let you know if you could save money
3. You will receive your new energy offer and choose whether to switch or stay with your current provider

More information and registration at www.nwleics.gov.uk/energyswitch

Or call our customer service team on 01530 454545 so an advisor can help you register. You need to have your annual fuel statement when you call.

* No guarantee of a cheaper price than your current tariff. Savings are accurate on the date the offer is made. You have the right to cancel the offer within seven days of accepting.
